What About the Manufacturer?

Parts and services covered during the manufacturer's warranty period are the responsibility of the manufacturer. Your Product(s) may have a labor and/or parts warranty from the manufacturer that may provide additional or overlapping coverage with this Plan. Review Your manufacturer's warranty. Nothing in the Plan will limit or discharge any manufacturer's obligations.

Which Plan Do I Have?

See Your sales receipt to determine which Plan(s) You purchased for Your Product(s).

Every Plan Has These Benefits!

The following benefits are applicable to all Plans but may not be applicable to all Products.

Power Surge: If Your Product is electrically powered, this Plan covers parts and labor due to failure of Your Product as a result of power surge, as determined by an authorized technician.

Keep It Running Reward: We recommend You maintain Your Product(s) per the manufacturer's instructions. Doing so should help extend the life of Your Product(s) and save You time and money. To encourage such maintenance under this Plan, You will receive a [50%] reimbursement of the cost and, sales tax, on the preventative maintenance parts listed below during the term of this Plan. To qualify, such parts must be purchased at a Lowe's retail location, online at lowes.com or through the Lowe's mobile application. If Lowe's does not carry the required maintenance part, the Plan Administrator may approve a claim for parts purchased elsewhere. Parts outside of the items listed below will be reimbursed at the sole discretion of the Plan Administrator. There is a [\$100] reimbursement limit for the first twelve months after this benefit begins ("the Initial Maintenance Period"), and for each subsequent twelve-month period after the Initial Maintenance Period, until the Plan expires. In order to obtain reimbursement, You must contact the Plan Administrator. You will be required to provide the Plan Administrator with copies of all applicable sales receipts to obtain the reimbursement. Approved claims will be paid in the form of a Lowe's merchandise credit. Keep It Running Reward does not affect Your Payback Reward benefit for Major Appliances.

- Major Appliances: Water filters, air filters, coil brushes, lint brushes, aluminum vents, hoses, water lines, washer fresheners, rinse aids and cooktop cleaners.
- Small Appliances: Water filters, carbon filters (coffee makers), vacuum bags, vacuum belts, vacuum filters.
- Outdoor Equipment: Belts, blades, batteries, spark plugs, filters, fluids, string line, chain saw files, blade sharpener/balancer kits and covers
- Gas and Electric Grills: Covers, burners, grates and cleaners/brushes.
- Plumbing: Water softener salt and filters for whole house water filtration systems.

Normal Wear and Tear Coverage: This Plan covers normal wear and tear. Normal wear and tear is a failure not caused by a defect. Normal wear and tear excludes failures that are the result of accidental or intentional damage, improper maintenance, abuse, misuse, consumable parts failure, unauthorized repair, theft or loss.

On-Site Service or Pickup: If on-site service or pickup is provided for the full term of the manufacturer's warranty, then it will also be provided to You under this Plan. If on-site service or pickup is not provided for the full term of the manufacturer's warranty, then it will not be provided under this Plan and You will be responsible for the costs to transport Your Product to a repair facility as determined and authorized by the Plan Administrator. You must call the Plan Administrator at [1-888-77LOWES (56937)] to receive authorization for repairs prior to transporting Your Product.

During the coverage Term, You can transfer this Plan if You ever sell or give away the Product. Just write to or call the Plan Administrator with the new owner's contact information, the Plan number and date of transfer.

PRODUCT COVERAGE PLANS

Below are details on different coverage plans.

Replacement Plans (Products with a Retail Cost of less than [\$300]. Excludes Major Appliances and Hot Water Heaters).

In addition to the benefits listed in the "Every Plan Has These Benefits" section, this Plan provides one-time replacement coverage for select products with a Retail Cost of less than [\$300] that fail due to defects or normal wear and tear. This replacement benefit starts after the manufacturer's warranty ends; however, any Power Surge and Keep It Running Reward benefits associated with this Plan begin on the date of purchase and run through expiration of this replacement benefit. Major Appliances and Hot Water Heaters are not eligible for Replacement Plan coverage. We, in Our or its sole discretion, will either: (1) provide a new, rebuilt, or refurbished product of equal or similar features and functionality, or (2) issue a Payment for the Retail Cost of the Product, plus applicable sales tax. See "What if We Can't Fix It?" below for what happens after We replace Your Product or issue You a Payment.

Extended Protection Plans (All Major Appliances of any price and any other Product with a Retail Cost over [\$300]. Excludes Hot Water Heaters).

In addition to the benefits listed in the "Every Plan Has These Benefits" section, Your Product will be restored to normal operating condition if it has failed due to defects in materials and workmanship, normal wear and tear, or power surge. This Plan covers all labor and/or parts costs necessary to repair Your Product for problems due to functional part failures unless otherwise stated in this Plan. Genuine manufacturer's parts will be used whenever possible; however, the use of non-original manufacturer's and re-manufactured parts is allowed under this Plan.

What if We can't fix it? If We, in Our or its sole discretion, determine that Your Product is not repairable, We, in Our or its sole discretion, will either: (1) provide a new, rebuilt, or refurbished product of equal or similar features and functionality, or (2) issue a Payment up to the Retail Cost of the Product, plus applicable sales tax. Upon providing You with the replacement product, or a Payment for the non-repairable Product, the non-repairable Product will become Our property, should We unilaterally elect to exercise Our rights to the Product. This Plan is deemed fully satisfied by Us by replacement of the Product or by the issuance of a Payment up to the Retail Cost of the Product, plus applicable sales tax. The coverage provided under this Plan will not be transferable to any replaced product.

How quickly can We fix it? If Your Product is not repaired within [14 days], You will receive a one-time Payment of [\$50] over the life of the Plan. If Your Plan includes onsite service or pick-up, the clock starts ticking on this turnaround time once You have contacted the Plan Administrator and reported the failure, as long as You are able to accommodate our first available service appointment. If You are not able to accommodate the first available appointment, We start the clock ticking as of the date of the first service visit. If Your Plan does not include on-site service or pickup, the clock starts ticking on this turnaround time once Your Product has been delivered to the pre-authorized location directed by the Plan Administrator. This benefit does not apply to refrigerators or freezers.

Suppose We can't fix it after three repairs? After expiration of the manufacturer's warranty, if You have three covered service repairs completed on three separate occasions and Your Product requires a fourth repair, as determined by Us, We will issue You a Payment, not to exceed the Retail Cost of the original Product, plus applicable sales tax. Please keep Your service receipts as We may require You to submit them to fulfill a claim under this benefit. A covered service repair does not include: consumer requested alignments, bulb replacements, cleanings, product diagnosis, customer education, troubleshooting/telephone diagnosis, accessory repairs/replacements, all rechargeable batteries, a no fault found, diagnosis and repairs done outside the continental USA, Alaska and Hawaii.

Product Specific Benefits

In addition, Your Plan may include enhanced coverage, beginning on the date of purchase or on the date Your Product was delivered or installed, whichever is later. Enhanced coverage benefits do not apply to all Plans and are based on the Plan and Product You purchased. Please see details below to determine whether You qualify for any enhanced coverage. Certain enhanced coverage benefits require prior approval of a service claim by either the manufacturer or the Plan Administrator.

MAJOR APPLIANCES: You may purchase coverage on one Product, or multiple Products (i.e., two, or three Products) that are bundled. If You purchase coverage on multiple Products that are bundled in a multiple item Plan, each Product will be serviced and treated as if a separate Plan was purchased for each individual Product; however, cancellation of a multiple item Plan will be governed by the Cancellation section below.

Refrigeration Rental Reimbursement - If Your covered refrigerator or freezer is not repaired within 72 hours of Your initial claim, this Plan will provide a limited rental reimbursement of an approved refrigerator or freezer. Approval from the Plan Administrator must be obtained prior to rental. You will be reimbursed by Payment up to [25%] of the Retail Cost of the covered refrigerator or freezer. The reimbursement for rental coverage ends on the earlier of: (1) when Your covered refrigerator or freezer is repaired, or (2) a replacement refrigerator or freezer is delivered to Your residence, or (3) the reimbursement reaches [25%] of the Retail Cost of the covered refrigerator or freezer.

Restock Your Food Reward - If You purchased a refrigerator or freezer and You incur a covered failure that results in food loss, You will be reimbursed by Payment for food spoilage up to [\$300]. This amount is on each covered refrigerator and/or freezer on a per incident basis. Documented proof of loss will be required.

Re-installation Labor Coverage - If Your Product cannot be repaired and needs to be replaced as determined by the Plan Administrator, this Plan covers professional re-installation labor for the replacement Product.

Payback Reward: Upon expiration of Your Plan, We will reimburse You [30%] of the Price of Your Plan if You haven't made any service claims. You must contact the Plan Administrator within [60] days of the end of Your Plan term to claim this benefit. Payback Reward only applies to Major Appliances.

SMALL APPLIANCES [\$300+]

Restock Your Food Reward - If You purchased a compact refrigerator or wine cooler and You have a covered failure, You will be reimbursed by Payment for food spoilage up to [\$100]. This amount is on a per incident basis. Documented proof of loss will be required.

OUTDOOR POWER EQUIPMENT [\$300+]

Pick Up and Delivery - For Products with a Retail Cost of [\$799] and over, coverage includes pickup and delivery between Your residence and the repair facility for covered failures. Products with a Retail Cost of less than [\$799] are eligible for carry-in service only for covered failures. This Pick Up and Delivery benefit does not apply to Keep It Running Reward.

GRILLS [\$300+]

Pick Up and Delivery - Coverage includes on-site service and/or pickup and delivery between Your residence and the repair facility for covered failures. This Pick Up and Delivery benefit does not apply to Keep It Running Reward.

PLUMBING [\$300+], (Excludes Water Heaters)

On-Site Service - Coverage includes on-site labor service for Your covered Product, including water softeners, water filtration systems and jetted tubs, for covered failures.

Re-installation Labor Coverage - If Your water softener or water filtration system cannot be repaired and needs to be replaced as determined by the Plan Administrator, this Plan covers professional re-installation labor for the replacement product. This benefit covers reinstallation on water softeners and water filtration systems only.

WATER HEATERS: Coverage includes on-site labor for eligible water heaters (including tankless water heaters). Parts are not covered under this Plan except in the event of a power surge. The manufacturer covers parts for the life of the manufacturer's warranty. If the manufacturer's warranty covers labor, coverage under this Plan will begin at the expiration of the manufacturer's labor coverage; otherwise the coverage under this Plan will begin on the date of Plan purchase. The

coverage under this Plan will expire at the end of the manufacturer's parts coverage, or at the end of the coverage period indicated on Your sales receipt, whichever occurs first.

Re-installation Labor Coverage - If Your water heater cannot be repaired and needs to be replaced as determined by the manufacturer under the manufacturer's warranty or by the Plan Administrator for power surge losses, this Plan covers professional re-installation labor for the replacement Product to the extent not covered by the manufacturer's warranty. This benefit begins on the date of Plan purchase.

Suppose We can't fix it? If You have three covered service repairs completed on three separate occasions and Your Product requires a fourth repair, as determined by Us, We will issue You a Payment, not to exceed the Retail Cost of the original Product, plus applicable sales tax. Please keep Your service receipts as We may require You to submit them to fulfill a claim under this benefit. A covered service repair does not include: consumer requested alignments, cleanings, product diagnosis, customer education, troubleshooting/telephone diagnosis, a no fault found diagnosis and repairs done outside the continental USA, Alaska and Hawaii.

To begin Arbitration, either You or We must make a written demand to the other party for arbitration. The Arbitration will take place before a single arbitrator. It will be administered in keeping with the Consumer Arbitration Rules (or their functional equivalent) ("Rules") of the American Arbitration Association ("AAA") in effect when the Claim is filed.
