Benefits for Covered Failure: For Products where service is available from the Plan Administrator, Your Product will be restored to normal operating condition if it has failed due to a Covered Failure during the Plan Coverage Period. Your Plan covers all labor and/or parts costs necessary to repair Your Product for problems due to Covered Failure. Genuine manufacturer's parts will be used whenever possible; however, the use of non-original manufacturer's and re-manufactured parts is allowed under this Plan. **For Products where service is not available** from the Plan Administrator, Your Plan provides a one-time Payment for the Retail Cost of the Product plus applicable tax if it has failed due to a Covered Failure during the Plan Coverage Period, at which point Your Plan is deemed fully satisfied and the coverage provided under Your Plan will not be transferable to any replacement product. **The Plan Administrator determines if service is available** based on availability of authorized providers, limitation of liability, and other incidental factors which may lead to the decision to offer Payment instead of service.

Repair Quick™: For Products where service is available from the Plan Administrator during the Plan Coverage Period and service has been scheduled, if Your Product is not repaired within seven (7) days, You will receive a one-time Payment of \$50. If Your Plan includes On-Site Service or Pick-Up, the clock starts ticking on this turnaround time once You have contacted the Plan Administrator and reported the failure, as long as You are able to accommodate Our first available service appointment. If You are not able to accommodate the first available service appointment, We start the clock ticking as of the date of the first service visit. If Your Plan does not include On-Site Service or Pickup, the clock starts ticking on this turnaround time once Your Product has been delivered to the pre-authorized location as directed by the Plan Administrator. This benefit starts after the manufacturer's warranty ends. This benefit does not apply to refrigerators or freezers. The PRO Protection Plan is not eligible for Repair Quick™.

Restock Your Food Reward: If Your Product is a refrigerator, freezer, or wine cooler and You incur a Covered Failure that results in food loss, You will be reimbursed by Payment for food spoilage up to \$300 for Major Appliance refrigerators and/or freezers, or \$100 for General Merchandise compact refrigerators and wine coolers. This amount is on each covered Product on a per-incident basis. Documented proof of loss is required. This benefit starts on the date of Your Plan purchase.

What if We can't fix it? If We, in Our sole discretion, determine that Your Product is not repairable during the Plan Coverage Period, We will issue a replacement Payment up to the Retail Cost of the Product, plus applicable sales tax. Upon providing You with the Payment for the non-repairable Product, the non-repairable

Product will become Our property, should We unilaterally elect to exercise Our rights to the Product. This Plan is deemed fully satisfied by Us by the issuance of a Payment up to the Retail Cost of the Product, plus applicable sales tax. The coverage provided under this Plan will not be transferable to any replacement product.

Fix It or Replace It: If You have three (3) covered service repairs completed on three (3) separate occasions (separated by 30 days) during the Plan Coverage Period, and Your Product requires a fourth repair, as determined by Us, We will issue You a replacement Payment, not to exceed the Retail Cost of the original Product, plus applicable sales tax. Service repairs performed under the manufacturer's warranty are not considered for this benefit. A covered service repair does not include: consumer requested alignments, bulb replacements, cleanings, product diagnosis, customer education, troubleshooting/telephone diagnosis, accessory repairs/replacements, all rechargeable batteries, a no fault found diagnosis and repairs done outside the continental USA, Alaska and Hawaii.

Accidental Damage Coverage for Power Tools ONLY: If Your covered Product has failed due to Accidental Damage You can receive service, if available, from the Plan Administrator; if service is not available from the Plan Administrator, this Plan provides a one-time Payment for the Retail Cost of the covered Product plus applicable tax, at which point this Plan is deemed fully satisfied and the coverage provided under this Plan will not be transferable to any replacement product. This benefit starts on the date of Your Plan purchase and has a maximum Plan Coverage Period of five (5) years. This benefit does not cover Accidental Damage as a result of commercial use or professional use.

Transferability: From the date of Your Plan purchase, through Your Plan Coverage Period, You can transfer this Plan if You sell or give away the Product. Contact the Plan Administrator with the new owner's contact information, the Plan reference number and date of transfer.

Other Limited Benefits: During the Plan Coverage Period, We may provide You with other limited benefits, including, but not limited to, a limited period of access to technical support resources and tools (which may include access to mobile applications) for smart products and smart appliances ("Lowe's TechConnect", or "Technical Support") from date of Plan purchase. Technical Support includes assistance with setup, configuration, troubleshooting, and reset/recovery (except for data recovery) of smart products and smart appliances (as applicable), but does not supersede the manufacturer's warranty obligations, and is not considered a service repair under this Plan. Technical Support is not available for all Products. Other limited benefits may include alternative servicing options, claims management tools, and other support services.

As used in this PROVISION, "You" and "Your" mean the person or persons who bought the Plan, bought the covered Products, or who is the registered owner with the Plan Administrator, and all of his/her/their heirs, survivors, assigns, and representatives. "We" and "Us" shall mean the Plan Provider, Plan Administrator, and Plan Seller identified above and shall be deemed to include all of their agents and parent, affiliates and subsidiaries and any insurer.

Any and all claims, disputes, or controversies of any nature whatsoever (whether in contract, tort or otherwise, including statutory, common law, fraud (whether by misrepresentation or by omission) or other intentional tort, property, or equitable claims) arising out of, relating to, or in connection with (1) this Plan or any prior Plan, and the purchase thereof; and (2) the validity, scope, interpretation, or enforceability of this PROVISION or of the entire Plan (collectively, a "Claim"), between You and Us shall be resolved by binding arbitration before a single arbitrator, except that either You or Us may bring a Claim in small claims court (where allowed by law). To begin Arbitration, either You or We must make a written demand to the other party for arbitration. The Arbitration will take place before a single arbitrator. It will be administered in keeping with the Consumer Arbitration Rules (or their functional equivalent) ("Rules") of the American Arbitration Association ("AAA") in effect when the Claim is filed. Claims by, or on behalf of, other individuals will not be arbitrated or litigated in any proceeding that is considering Your Claims. Please refer to the State Disclosures section of this Plan for any added requirements in Your state. In the event this PROVISION is not approved by the appropriate state regulatory agency, and/or is stricken, severed, or otherwise deemed unenforceable by a court of competent jurisdiction, You and We specifically agree to waive and forever give up the right to a trial by jury. Instead, in the event any litigation arises between You and Us, any such lawsuit will be tried before a judge, and a jury will not be impaneled or struck.

If any portion of this PROVISION is deemed invalid or unenforceable, it shall not invalidate the remaining portions of the PROVISION, except that in no event shall this PROVISION be amended or construed to permit arbitration on behalf of a group or class.
