[†]Lifetime refers to the length of warranty coverage provided and means as long as the original individual owner(s) of a single-family detached residence [or eligible second owner(s)] owns the property where the qualifying GAF products are installed. For other owners/structures, Lifetime coverage is not applicable. Lifetime coverage on shingles requires the use of GAF Lifetime Shingles only. See the *GAF Shingle & Accessory Limited Warranty* for complete coverage and restrictions. Visit gaf.com/LRS for qualifying GAF products. Lifetime coverage on shingles and accessories requires the use of any GAF Lifetime Shingle and at least 3 qualifying GAF Accessories. See the *GAF Roofing System Limited Warranty* for complete coverage and restrictions. For installations not eligible for the *GAF Roofing System Limited Warranty*, see the *GAF Shingle & Accessory Limited Warranty*. Visit gaf.com/LRS for qualifying GAF products.

¹Contractors enrolled in GAF certification programs are not employees or agents of GAF, and GAF does not control or otherwise supervise these independent businesses. Contractors may receive benefits, such as loyalty rewards points and discounts on marketing tools from GAF for participating in the program and offering GAF enhanced warranties, which require the use of a minimum amount of GAF products.

²GAF roofing systems in which Royal Sovereign[®] or Marquis WeatherMax[®] Shingles are installed in the field of the roof are not eligible for Lifetime warranty term. For complete coverage and restrictions, see *GAF Shingle & Accessory Limited Warranty*.

³While Master Flow[®] Attic Exhaust Ventilation Products are covered separately by the *Master Flow[®] Powered Ventilation Products Limited Warranty* or *Master Flow[®] Ventilation Products Limited Warranty*, depending on product, they do count as an eligible qualifying accessory product in the GAF Attic Ventilation Category of GAF residential enhanced warranties. See the next page for a complete listing of eligible Master Flow[®] Attic Exhaust Ventilation Products.

⁴When StarterMatch[®] Starter Strip is installed in conjunction with GAF Starter Strip Shingles that contain factory-applied adhesive.
