PRO TIPS:

- ✓ Clean appliances periodically to prevent grease build-up
- ✓ Work from the top down to collect any food or debris that may fall
- ✓ Wipe down counters and stovetop daily

- ✓ Ensure proper ventilation when cleaning in a bathroom
- ✓ Use a microfiber cloth for best results when cleaning glass surfaces
- ✓ Clean your bathroom weekly to prevent build-up of mold, mildew & germs

- ✓ Store or cover furniture when not in use to prevent damage
- ✓ Remove leaves and debris from outdoor spaces to prevent staining
- ✓ Maintain clean driveways and walkways to enhance safety and protect their condition

- ✓ Clean spills quickly to avoid staining your floors
- ✓ Use mats and rugs at entryways to reduce dirt and debris in your home
- ✓ Always sweep or vacuum before cleaning floors
