

How to Pay with Pay by Bank at Lowe's (Online)

Pay by Bank lets you securely link your bank account and pay directly—no card needed. Here's how it works:

1. Select “Pay by Bank” at Checkout

- During checkout, choose **“Pay by Bank” (powered by Trustly)** as your payment method
- Click **“Link Account and Place Order”** to get started

👉 You'll be prompted to securely connect your bank account

2. Connect Your Bank Account

- A secure window will appear asking you to:
 - Search for your bank (e.g., Chase, Bank of America, Wells Fargo, etc.)
 - Or browse from the list of popular banks

👉 Select your bank to continue

3. Sign In to Your Bank

- Enter your **online banking credentials**
- Complete any required **verification steps** (e.g., one-time code)

👉 Your information is securely handled through Trustly — Lowe's never sees your login details

4. Choose Your Account

- Select the account you want to use:
 - Checking
 - Savings

👉 This is the account that will be used to complete your purchase

5. Review & Confirm Payment

- Confirm your selected bank account
- Review your order details and total

Click **“Place Order”** to complete your purchase

6. Order Confirmation

- You'll see a **"Thank you for your order"** confirmation screen
- Your payment method will show:
 - **Bank name + account type (e.g., Checking)**

 Your order is now complete and processing

Why Use Pay by Bank?

- **Secure:** Bank-level authentication via trusted provider
- **Fast:** No need to enter card details
- **Simple:** Link once and pay seamlessly
- **Flexible:** Pay directly from your bank account
